

New Staff

Hopefully by now, most of you will have met our newest permanent staff member, Mat Goulbourn. Mat comes to us with over 10 years experience in the OOSH sector and has hit the floor running as an Assistant Co-ordinator, when you get the chance please make him feel welcome.

Unknown Payer

A large sum of money was paid into our account in July with no surname, if you bank with Commonwealth Bank and think this was you please contact Sharon in the office so the payment can be allocated to your account.

Search Fee

The committee has introduced a \$7.00 search fee. This is in line with other centre's in the area and will be charged to your account in the event that you do **not let** us know that your child is to be **absent** from a **booked afternoon session**. Every afternoon Wingy spends a significant amount of time tracking down missing children, you can avoid paying this fee by notifying us of an afternoon absence in one of the following ways:

- Telephone 9955 9509
- Telephone or SMS 0425 358.582
- Email nanyima@bigpond.net.au

Christmas Party

Our Christmas Party has been booked for Friday 2nd December, 6pm to 8pm. Pop that date in your diary now, Friday's in December fill up quickly!

National Regulations

After much consultation across Australia the Federal Government has drawn up National Regulations for the entire childcare sector, these regulations will come into effect on January 1st 2012.

A large number of the regulations have been standard practice for many services for over 10 years. The difference is that now ALL services must follow them or they are breaking the law and financial penalties will be applied if a service or educator repeatedly does not comply.

Nanyima staff are receiving training and working through the regulations to ensure we continue to offer a high quality service.

Sign out sheets

Please remember that the sign out sheets are a legal document, we are required to keep them and present them if requested to officials from DEEWR. Please only use them to sign your child out, they are not to be used to write notes on or for children to draw on. It is our policy that children are signed out **ONLY** by a parent or guardian.
