## Vacation Care Program

**Monday**  
8<sup>th</sup> July 2024

**Tuesday**  
9<sup>th</sup> July 2024

**Wednesday**  
10<sup>th</sup> July 2024

**Thursday**  
11<sup>th</sup> July 2024

**Friday**  
12<sup>th</sup> July 2024

### SCG Stadium Tour

**Excursion – Bus leaves at 9:30am sharp!**

Sydney Cricket Ground (SCG) has specially designed a Vacation Care Group Tour to keep children moving during these school holidays. They will discover the twists and turns of the SCG, while hearing about modern champions and sporting legends of old.

### Australian Planetarium

Travel through the universe through a 360-degree movie. This awe-inspiring Earth and Space science experience will engage, amaze and inspire! This space adventure will take children on a journey to discover the Solar System, Planets, Stars, Lunar Cycles, Seasons, Constellations and much more.

### Futsal Institute

**Excursion – Bus leaves at 9:30am sharp!**

Children will be led by a coach through a variety of fun and exciting team sports, helping them learn new skills and improve their game. Activities on offer: soccer, basketball, dodgeball, table tennis and quiet activities for those who aren't feeling energetic.

### Go Karts

Kids will have the time of their lives racing in these unique electric go karts driven around an inflatable track. Trained staff will debrief the drivers with safety pre-racing instructions before they start. All karts have a remote shut off which allows us to stop the karts instantly

### Hort 4 Kids

Get growing with fun, creative and practical activities for all seasons with hands-on gardening activities for little green thumbs. The team at Hort 4 Kidz are qualified Horticulturists and experts in all things outdoors. Their infectious enthusiasm gets kids popping up like flowers in springtime to be involved!

#### What to Bring

Closed shoes, sun hat, water bottle, packed lunch

## Vacation Care Program

### Monday

15<sup>th</sup> July 2024

#### Dragon Tao Kung-Fu!

It is important for children to keep active, but even better if they can learn something of value at the same time.

Dragon Tao Kids Kung Fu teach children the skills of discipline, mindfulness and self-defense. Not only this, but they also learn how to relax, focus better, build self confidence, and improve health, which we all know is of great benefit to children.

### Tuesday

16<sup>th</sup> July 2024

#### Accidental Invention

Children's imaginations will ignite during this unique interactive workshop where they will experience how a Slinky comes alive as it creates a transfer of energy in a longitudinal wave. Dennis Clare will lead children through the art of mime as they create their own theatrical scenario. Children will experience the accidental invention of the Slinky.

### Wednesday

17<sup>th</sup> July 2024

#### Monkey Mania

##### Excursion – Bus leaves at 10am sharp!

Monkey Mania is the ultimate indoor children's play centre. Offering a range of amazing play equipment, climbing structures, a sports arena, and plenty of opportunity for children to run, skip and jump!

### Thursday

18<sup>th</sup> July 2024

#### Skateboarding

Skateboarding is a great way to interact with friends, develop your skills and push your boundaries! For this excursion, we will be bringing in "Beyond the Board" skateboarding group. Their team provide all skateboards, helmets, knee pads, elbow pads and wrist pads.

Please note, safety equipment must be worn in order to participate and is non-negotiable.

### Friday

19<sup>th</sup> July 2024

#### Bubble Soccer

Surround yourself with an inflatable device that allows you to run, bounce, roll and spin, all while bumping into other human bubbles! A great work out and a lot of fun.

Monday 22 <sup>nd</sup> July 2024	Tuesday	Wednesday	Thursday	Friday
--------------------------------------	---------	-----------	----------	--------

**Bricks 4 Kids**

This two-hour incursion will see children divided into groups and working through three exciting stations. Children will be constructing technical models with motors and batteries to make their creations come to life. Specially designed to encourage creativity, promote learning through play, and spark interest in science, technology, maths and engineering.
